

Greens & Probiotics contains a rich blend of enzymes, botanicals, and other nutrient-rich ingredients that provide optimal nourishment for beneficial bacteria. This allows the more than 900 million colony-forming units of health-promoting bacteria in each serving to multiply and flourish in the gut.*

Optimal health starts in the gut. Count on Greens & Probiotics to promote the intestinal health you need to meet your wellness goals!*

Suggested Use:* Mix with a liquid of choice, such as water, milk, juice or yogurt. Start with a quarter scoop per day. For optimal results, increase to 1 level scoop twice or three times per day as tolerated, or as recommended by a physician. One level scoop is equal to approximately two **Greens & Probiotics** capsules. Store in a cool, dry place.

Note:* As with any supplement, if you have a medical condition, consult with a physician regarding implications of use.

* These statements have not been evaluated by the Food and Drug Administration. This product is not intended to diagnose, treat, cure or prevent any disease.
